## EXPERIENCE

### **IEI Media, Istanbul, Turkey — Videographer**

JUNE 2014 - JULY 2014

Worked with a fellow reporter to uncover stories in two Istanbul neighborhoods. Learned the ins and outs of working with a translator and how to conduct interviews properly in a different language. Shot and edited two videos solos and shot photos.

### **Golden Gate Express News, San Francisco — Multimedia Editor**

JAN. 2014 - MAY 2014

Responsible for multimedia projects for a team of reporters, including assisting with shooting and editing. Completed final edits of reporters' work. Worked on-call for needed video pieces. Pitched, shot and edited various videos solo. Worked with photo editor and second multimedia editor to assign shoots and meet deadlines.

### **Sachi Cunningham, San Francisco — Assistant**

FALL 2014

Assistant to Cunningham in the development of her documentary about big-wave surfing in Portugal, "Endless Ocean." Assisted with music and general editing.

### **Martinez News-Gazette, Martinez, California — Photo/video Intern**

SPRING 2015 - SUMMER 2015

Shot photos and video, as well as reported events and breaking news. Started a video profile series on people who work in Martinez.

### **Las Vegas Review-Journal, Las Vegas — Visual Journalist**

FALL 2015 - PRESENT

Responsible for shooting and editing video and still assignments — sometimes both for one story. Pitch story ideas consistently across different beats. Work on short-term and long-term projects. Collaborate with reporters to better execute a story. Started "Vegas Stripped" profile series with the goal of showing the depth and range of people who live in Las Vegas, particularly off the Strip.

### **NPPA Immersion Workshop, New York — Videographer**

MAY 2016

Attended workshop to better storytelling skills and gained a much clearer

## SKILLS

Proficient with Adobe Photoshop, Adobe Premiere Pro and Final Cut X. Experience with interviewing, shot sequencing, storyboarding and Canon DSLRs for video and photo. Familiar with Canon C100 Mark II, different stabilizers, audio equipment, location and studio lighting and caption writing.

## AWARDS

### **Emmy Winner, Pacific**
